Due to changes to the hours of operation at the Franklin Gate, POM bus routes arriving at the Presidio after 5:30pm will enter the base via Private Bolio Gate. All bus stops within the Presidio will continue to be served during evening hours. There will be NO routing changes to commuter buses arriving at the Presidio between 4:45am to 5:30pm on weekdays.

-Lines 71, 72, 73, 74, 75, 76, and 79 will use Del Monte Avenue (Monterey) to and from the Presidio on weekdays (no longer serving Aguajito Street) and will continue to use Hwy 1 for express service to their respective terminals. All of these routes will continue to serve the Tyler Street Parking Garage in downtown Monterey for transferring to and from other bus routes. These bus routes will have three new bus stops along Del Monte Avenue:

2. Del Monte Av at Naval Postgraduate School Gate (both directions)
3. Del Monte Av at Casa Verde St (both directions)

-Lines 68 and 77 will continue to serve the two bus stops along Aguajito Street during mornings heading to the Presidio. During afternoons, both routes will serve the Monterey Peninsula College (MPC) bus stop when leaving the Presidio. Lines 68 and 77 will continue serving the Tyler Street Parking Garage for transferring to or from other bus routes. Minor timing adjustments for the 2nd Line 77 outbound trip leaving the Presidio in the afternoon on weekdays (new departure time from Price Fitness Center will be 5:55pm).

Line 69—Presidio-Del Monte Center-Dunes bus route will no longer serve Franklin Street on Fridays, Saturdays and Sundays/Holidays. All Line 69 buses will enter and exit the Presidio via Private Bolio Gate. Minor schedule adjustments between Del Monte Center, PX / Commissary, and The Dunes.

-No routing changes for **Lines 70 and 78**.

-Line 70-La Mesa will have both morning trips departing La Mesa / Glenwood Circle 10 minutes earlier to help riders get to the Presidio on-time (new departure times from La Mesa – 6:00am and 7:00am). No timing changes for Line 70 afternoon trips.

-Line 75 will have an additional late afternoon “short” trip between the Presidio and the Tyler Street Parking Garage to shuttle riders to downtown Monterey for connecting bus service. Line 75 will now operate hourly service during weekday evenings leaving from the Tyler Street Parking Garage to the Presidio at: 6:23pm (new), 7:23pm, 8:23pm, and 9:23pm on weekdays. Late evening Line 75 departures from the Price Fitness Center will be 6:40pm (new trip going downhill to Tyler Street Parking Garage only), 7:40pm, 8:40pm and 9:40pm. No major timing changes to Line 75 trips during weekday mornings.
